

Family Fees Upfront Payment Discount 2025

Dear families,

Thank you for expressing interest in paying your family fees upfront for 2025. Fees paid in full prior to 28 February 2025 will attract an upfront payment discount of \$290 per student (maximum two students who must be on the same debtor account). Please note that in cases where families who have a fee split arrangement in place, the upfront payment discount will be prorated according to the fee split percentage.

Total fees payable after the discount has been applied are shown below. Please make a payment for the net amount (Family Fees payable less the discount amount).

Families with one student

ANNUAL FAMILY FEES

\$7,260

Early Payment Discount: \$290

Family Fees Payable (less discount): **\$6,970**

Families with two or more students

ANNUAL FAMILY FEES

\$14,520

Early Payment Discount: \$580

Family Fees Payable (less discount): **\$13,940**

Family fees for 2025 are not due to be raised in our finance system until mid-January, therefore invoices/statements will not be available or sent out to families until after that date. Should you wish to make a payment prior to that date, the payment will be applied to your account and your account will be have a credit balance until the 2025 family fees have been raised.

Payment of the family fees can be made by direct credit to the following account;
